| 36   | 2-11.6.f | The present. f becomes 2-11.6.g. It is replaced by a new f, “When an intentionally kicked or fistedit ball occurs with 19 seconds or less remaining, set the shot clock to 20 seconds”.
| 63   | 5-14.2 | Delete “coaching box” and replace with “28-foot line.” This will be consistent with Rule 4-3.2.                                           |
| 99   | 10-4.2.g | Rule is incorrect. It should read: “After all applicable warnings per Rule 4-10.2, the head coach failing to replace a disqualified player within 15 seconds or an injured player within 20 seconds when a substitute is available or failing to resume play immediately following the second warning indicating that play is to resume following a timeout.” Note: See Rule 4-10.1.d through .g for the specific rule reference requiring either an administrative or Class B technical foul. |
